1. I, The Lord God am holy. I am holy, I am holy and there is none other besides Me. There is none other besides Me.
2. "And yea, though I walk through the valley of the shadow of death, I will fear no evil (1)." Those words you must know. Those words you must eat, you must breathe, you must live, for I am Me and I am not afraid of death and I am not afraid of evil, and I in you am holy and I in you is not afraid of death nor evil.
3. I in you am mighty (2). I am mighty, I am mighty and they will see Me in you and see what I am doing; and see what I am saying and **see how much you must die to bring forth life,** to bring forth life in you, to bring forth life in Me, to bring forth life in My body.
4. You cannot place your hands on, place your hands in, and craft and create that which is of Me without Me; and **I create in life through which death hath come. The seed must fall to the ground. The seed must die and you cannot fear death.** You cannot fear death in any way. You cannot fear life. You cannot fear death; you cannot fear emotional death, you cannot fear spiritual death, you cannot fear financial death, you cannot fear commercial, religious or spiritual death in any way. You cannot fear at all. I am life and in Me there is no fear. Perfect love, perfect love casts out all fear (3); all fear, all fear, perfect love, love, perfect love casts out all fear.
5. Now hear Me and hear Me well in what I am saying; **you cannot fear death and go where I will take you, go where I will lead you into life eternal, into life abundant, into hundred-fold returns so common,** so common, anything less abnormal. I love you.
6. I love you and I give you Me. I give you stone upon stone, precept upon precept, emerald upon diamond, buildings, land, peoples of only Me coming forth**, the mighty many** who through death have come.
7. See Me and what I am saying--implicit, explicit, integrally interwoven, inextricably intertwined, indubitably with Me, only Me. Me--one, and in Me--one, being one with My body, My body all, of labels all, nuance-ing doctrines not dividing. I love you.
8. See Me, see Me, see what I am saying. Hear what I am saying. Come through death and be not afraid. Be not afraid of man's eyes, protrusions on their foreheads, their remarks cutting, rending, bleeding that which was never intended.
9. Do not be afraid. Do not be afraid to walk in My light, My seed shining forth in fullness, glory, might, honor, power, and authority displayed.
10. Now through Me come and fear not death for life abundant awaits, awaits, increases, calls your name, calling your name I am, as I called Mary when she recognized Me (4). She recognized Me, she recognized Me, and oh, in that moment, the power, the

love, the personification of reality, she knew Me and she knew that I knew her. Now know Me, know My voice, know My name, hear Me calling your name, you, you, **you who read this, you who listen to this, you who come before, you who have come after, you come in and come through these words and the words I give you**.

11. Listen to Me and fear not death. Fear not evil. Resist not (5) but let Me stand. **Let Me stand in you**, having done all to stand, stand (6). Stand therefore, and let Me stand in you, through you and **be not concerned about those around you who may not understand but cling to their life and cling to their seed and in so cling to death**, thinking they have so much and are so matured. I love you.

12. Worry not with the worrying, the crowd, the crowded 'in-crowd' who faces seek and smiling applause base their words on. I love you.

13. See Me and death--the death to self, the death to self-righteous mammon, and let Me loose. Let Me loose all that I have for you, in you, to you, through you, in to Me, in to My body through you, My 'mighty many' coming forth.

14. I love you and I give you Me, eyes wide open.

15. I give you My words, I give you My words, I give you My tablets and digitizing replicating devices of only Me yet to see, yet to behold, yet to comprehend.

16. Know Me, know Me, see Me, see what I am saying. See Me in these words. See Me, see Me and know that I am alive, that I have called, that I have come, that I have conquered and I have conquered death.

17. And you, I, we, as one, will conquer death--you are not alone. You are not alone. You are not your shield--I am. You are not your buckler--I am. You are not your fortress--I am. You are not your buckler--I am. I am your sword. I am your shield. I am your high tower (7).

18. Come in to only Me. Come in to only Me and let Me show Myself strong, strongly, strongly replicating Myself in you; replicating Myself in your individuality, replicating yourself in your uniqueness; replicating Myself in your DNA, your DNA individualized and yet coming forth of only Me, through Me, My body, My DNA, My blood, My sinew, in your DNA, your blood, your sinew of only Me. **Of only Me see that you are**, see you as My remnant, see you as My child, see you as My friend. **See you, look in the mirror and see Me, see My eyes, see Me look into your eyes, eyes wide open.** I loved you, I love you.

19. Rend not My body. Rend not yourself, My body. Rend not your body because you are My body and My blood. Drink, drink, drink of Me, drink all of Me. Drink My body and blood and realize My body and blood is before you in those individuals, DNA of My spirit, DNA of My flesh, DNA of My blood, My bones. I love you.

20. Fear not death but come forth in life. Fear not the accusations, the accusers, the unpopular label labeled across your forehead in mock trials, in mocking cartoons and caricatures, but be concerned with Me--I Am. I Am The Most High. I Am The King of Kings. I Am The Lord of Lords and there is none other besides Me. You know that, you know that so well, you know that so intimately, and you so want to share. You so want

to share My intimacy and My intimate times, My power and My kindness, and now My authority.

21. Now My authority comes, My authority comes to impart. My authority comes--implant----My authority to im-partake of Me, Me being Me, Me being Me in you, with you, through you, with each other; yea, in intimacy and intimacy, even in intimacy and times--all the time----with your spouse. I love you.

22. See Me, see what I am saying, see what I am saying in death that brings life: **the death heretofore not understood, the death that stands before you. The death which you make the choice to receive, to eat of, to drink and become Me.** I love you.

23. Structure and infrastructure of only Me. I love you. See My wire mesh, see My intricate structures, intricate/intimate with only Me, every molecule, every cell, every organelle, every quark, every decimated being who now walks before you in life--dead in life, seeking what only death can provide them; death in Me being the entry way into the abundance of My life, My crown. I love you.

24. I give you Me and I thank you for what you are doing in WeekWorks. I thank you for raising forth giants, giants through giant-makers who giant-makers are. Giant makers come, coming, who are, who is, who am I Am, they are I Am. I love you.

25. See Me and fear not death. See Me and fear not death. See Me and fear not death in any way. See Me and have no part of fear and fear not fear, but discern in only Me. I love you.

26. I come and I call and I conquer fear this day and **I allow you to fail no more because failure in Me is failure different than in the eyes of men.** I love you.

27. See Me, hear Me in what I am saying. **Fear only Me, the forfeiture of your design, the implications of your infrastructure not being received.** I love you.

28. Come before Me in thanksgiving, joy and praise more and serious not be so much. I love you. In laughter and joy I come and I want to come so much more. **Kid, kid with Me, even in jest.** I love you.

29. I fear not death even with a smile. I love you. Joy, joy, joy cometh in the morning, **joy comes as is, where is, as you are, where you are.** Joy comes, joy is. Embrace Me in My joy. Embrace Me in My joy, embrace Me, embrace Me and let Me joy as I kiss your face, as I look into your eyes wide open and tell you I love you and how much you mean to Me, **how kind I am, how kind you are,** how we can experience oneness more and more through the words that I even will give you through your own mouth--you speaking My words, unafraid of failure, unafraid of fear, unafraid of ridicule, cartoons and caricatures. Speak Me, speak My words, and **speak your design** that I give you through the words of My mouth, through the words of your own mouth.

30. I love you and I raise up Universities to do this in thinking designs of only Me, and processing designs of only Me, in outcomes of only Me: My life seen, displayed, replicated DNA of only Me. I love you.

31. See what I am saying, please, please, please see what I am saying. Hear Me, see Me, see Me in what I am and what I am saying and let your words come forth, afraid of fear not, casting down every imagination (8). I love you.
32. Faith arising, faith arising trust, trust is, trust substantive, trust substantial, trust molecularly driven of Me, held together force field of only Me; cross magnets, cross magnetics, cross resonance and synthesis of only Me; Me, holding My body together in synthesis of love and one accord; One, oneness, Me, meekness Me, Me-ness; My leadership in submission of only Me to Me, My Father, all of us as one.
33. See what I am saying, see what I am saying, see how I beg, how I plead, how I come before you, how I call and conquer and I still offer My will, I still offer your choice. You choose this day whom you will serve, whom you will fear, whom you will be afraid of, whom you will see, whom you will let influence you and whose words you will speak. Speak Mine I pray, I pray thee speak My words, I pray thee speak My words I pray thee this day. And speak Me more and more and afraid of failure, afraid of fear, afraid of death none, none at all. I thank you and I give you Me.
34. I give you giants to Universities raise, I give you voices of children, the children of lambs, of little ones afraid not, afraid not of guns and ammo not of Me, but speaking My love bullets, speaking Me, coming forth, penetrating the impenetrable. I love you.
35. My love conquers all. This day go. I love you, I am with you, I will come, I will speak more, I will speak with you, I will speak, I will speak this day, I will speak this afternoon, I will speak this evening.
36. I will speak, I will speak, I will speak, I will speak when spoken to, spoken with, and allowed to speak. Let My words come forth and flourish, flourish you; water, watering you, water of life, river of life flowing in you, through you, fearing not death. Come through that door, come through that meaning, meaning Me and be Me. I love you. Good day.
37. Photosynthesis of Me, receiving Me, absorbing Me, photo-atomic-resonant imaging, photosynthesis, cell-ing synthesis. See Me. Absorb. I love you.
38. Receive Me, My addictions, My formulae, My love, My love to love; seeking, searching out, under-staying, understanding, and conveying the love of My life and the life of My love, withholding nothing. I love you.
39. My words come, My words increase, **My time with Me increase please.** I love you. I love you. I intimacy you more. I give you more, I withhold nothing. I 'no limit' you as you 'no limit' Me, increasingly. I love you.
40. Laugh, laugh and enjoy Me this day and all that comes to you in joy and laughter this evening. I love you.
Amen
